

CONCEPTLINE PARTITION TEX

PRODUCT DESCRIPTION

ConceptLine Partition TEX is a frameless, fabric-covered element which is placed directly on the floor. The highly absorbent ConceptLine Partition TEX elements can be set up quickly without any screws and ensure pleasant acoustics. The TEX elements can additionally be used as noticeboards.

With the lightweight ConceptLine Partition TEX you can create flexible free spaces in open-plan offices. These functional eyecatchers mean that areas can be separated from each other optically and acoustically without any costly drywall work.

MAIN AREAS OF APPLICATION

- Small and medium-size offices, open-plan offices
- Rooms in which the wall and ceiling surfaces cannot be used for acoustic improvement measures (glass partitions).

POSSIBLE APPLICATIONS

- Offices / open-plan offices

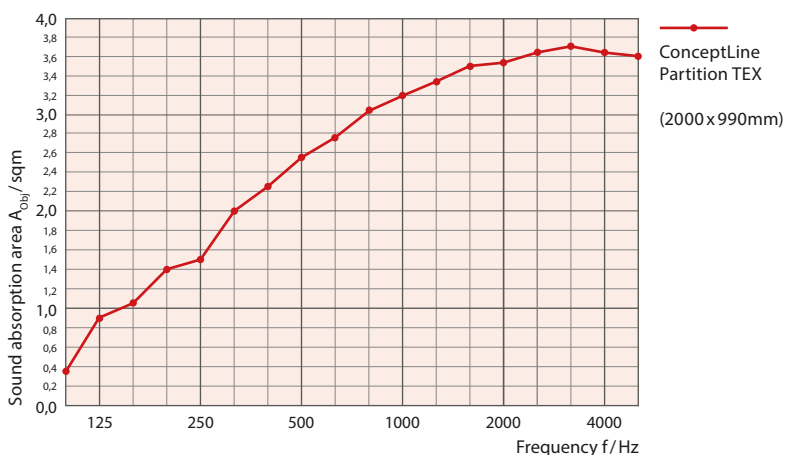

CHARACTERISTICS

- **Size:** as per price list
- **Thickness:** 27 mm
- **Colour:** as per colour chart
- **Cover:** woven microfibre
- Easy to assemble / remove
