CONCEPTLINE DESK PARTITION TEX

SONATECH
Akustik + Schallschutz

PRODUCT DESCRIPTION

The highly absorbent, frameless ConceptLine Desk Partition TEX can be set up quickly without any screws and ensure pleasant acoustics. The TEX elements can additionally be used as noticeboards. The simple connectors, which can be purchased additionally, mean that there is no limit to possible combinations.

With the ConceptLine Desk Partition TEX, workplaces can be separated from each other optically and acoustically. Furthermore, the highly absorbent material has a positive effect on the room acoustics.

MAIN AREAS OF APPLICATION

- Small and medium-size offices, open-plan offices
- Rooms in which the wall and ceiling surfaces cannot be used for acoustic improvement measures (glass partitions).

POSSIBLE APPLICATIONS

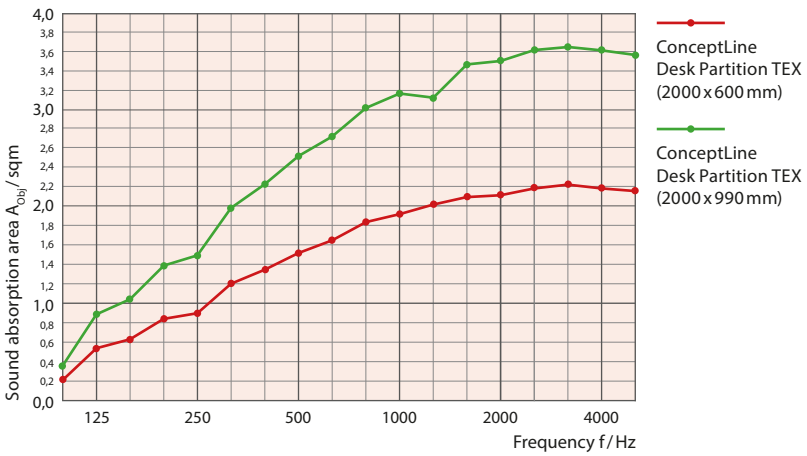

- Offices / open-plan offices
