CUBE INDUSTRY

SONATECH
Akustik + Schallschutz

PRODUCT DESCRIPTION

Cube Industry is a complete solution for industrial and production areas in which loud machines are used and is also a design feature offering excellent sound absorption for offices and schools.

Cube Industry can be used to reduce noise in a practical and economic way, e.g. by covering complete ceilings or individual parts of ceilings.

OUR SERVICE

- Expert consulting + sound measurement and acoustic layout on your premises in accordance with UVV "Lärm" (German accident prevention regulation), EU "Noise" guideline (2003/10/EG) and DIN 18041 within Germany on request
- Complete assembly within Germany

POSSIBLE APPLICATIONS

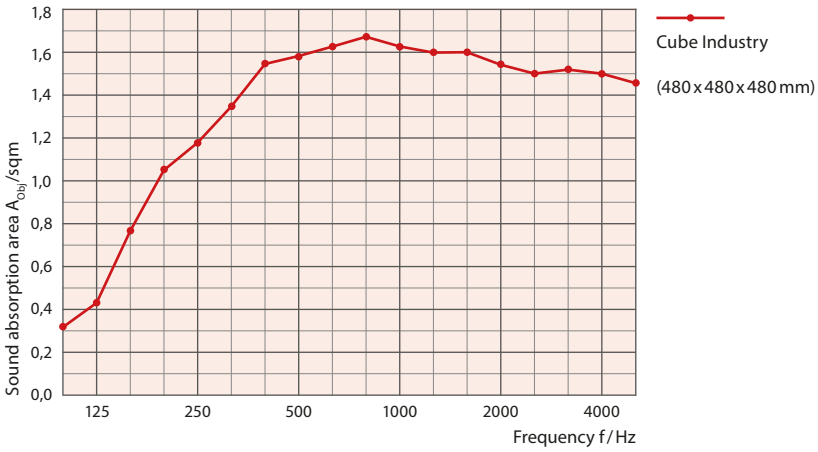

- Shopfloors / factories
- Mechanical and plant engineering

CHARACTERISTICS

- **Size:** 480 x 480 x 480 mm
- **Colour:** light grey and white
- High light reflectance factor
- High degree of absorption
- High degree of durability
- **DIN 4102 B1 (high flame resistance)**
- With fabric cover on request

SOUND ABSORPTION DIN EN ISO 354

Sound absorption according to ISO 354:
