# pure FLEXIBLE PARTITION

SONATECH
Akustik + Schallschutz

## PRODUCT DESCRIPTION

**The SONATECH pure Flexible Partition is a frameless element that can be placed directly on the floor in the form of a wave.**

The partition has slits in defined places and is therefore flexible.
It can be rolled up in order to save space or can be set up in a wave form, or in a "L" or a "U" form depending on the specific application required.
Characteristic of this material is its impact-resistant surface made of robust fibres in a puristic felt-look.
